Dear Business Owner:

The Division of Minority and Women Business Development has entered into a formal agreement to accept certifications from New Jersey-based businesses that are certified with the New York/ New Jersey and Pennsylvania/New Jersey/ Delaware chapters of the Minority Supplier Diversity Council (MSDC) free of charge¹.

To apply for a New Jersey certification, please submit the following:

1. A copy of your letter of certification from the Council
2. A copy of your completed certification application submitted to the Council, excluding the supporting documents
3. A completed State of New Jersey MBE Application (attached) excluding the supporting documents
4. Affidavit authorizing the release of the MSDC files on your business to DMWBD (attached)

Please send these documents to the following address:

***NJ Division of Minority and Women Business Development
P.O. Box 026
Trenton, NJ 08625***

The State of New Jersey reserves the right to request additional documentation from your business and to contact you to schedule a site visit. In addition, any changes to your certification status with the outside agency/program prior to receiving certification approval from the Division must be reported within 10 business days.

Your M/WBE certification with the State of NJ is valid for 3 years. Annually, the business must submit, not more than 20 days prior the anniversary of the certification, an annual verification statement, in which it shall attest to the current status of ownership, control or any other factor of the business affecting eligibility for the certification as a minority or women-owned business.

If the business fails to submit the annual verification statement by the anniversary date, the certification will lapse and the business will be removed from the SAVI database² that lists certified minority and women-owned businesses. If the business seeks to be certified, it will have to reapply.

If the business submits the annual verification statement by the anniversary date, but either the verification statement or the information received by the Division indicates that the business is no longer eligible for certification as a minority or women-owned business, the Division shall revoke the certification pursuant to this chapter and following revocation, the business shall be removed from the SAVI. The business may appeal this revocation pursuant to the procedures set forth at N.J.A.C. 17:46-1.8.

If you require further information, please call the Division at (609) 292-2146 or fax us at 609-292-8764.

¹ The NJ MBE Certification with MSDC certificate is not a reciprocal agreement

² NJSAVI (New Jersey Selective Assistance Vendor Information) is a database that identifies businesses that are registered as a SBE and/or certified as a M/WBE with the State of New Jersey, through the Division of Minority and Women Business Development. The NJSAVI marketplace identifies businesses eligible for mandated state programs such as the NJ Small Business Set Aside program, and aids in matching buyers and vendors for private contracting opportunities.
